

# THE NOWHEREISLAND CONSTITUTION

"Nowhereisland's constitution is and will be cumulative and consensual, open to all citizens and subject to change during the nation's lifetime."

The writing of Nowhereisland's constitution was 'open to all citizens' from 11 September 2011 to midnight on 9<sup>th</sup> September 2012. This was the first online, on-going national constitution. Writing the constitution also meant ranking propositions by 'liking' or 'disliking'. This final version of the constitution shows the 2,678 propositions by order of most popular to least popular.

---

Every Nowherian has the Right to be silent.

Every Nowherian has the right to be heard.

Ein Moment auf einem Stuhl gesessen, heißt, das Leben in Gefahr gebracht haben.

Every Nowherian has the right to imagine a different future.

We will eat together often.

Every child will be read to each night.

Wherever we may consider building a wall, fence or barrier we should instead place a table.

We will strive for peace. If war should arise, only those who vote for it will fight - including politicians.

We will endeavour to eat delicious, seasonal food that has been raised or grown sustainably and prepared with love.

Every Nowherian has the right to be notified before any important decision is made effecting Nowhereisland.

government shall be for the benefit of the governed not the governors.

The economy will be resource based rather than monetary based.

Children are not forced to compensate their weaknesses. Natural talents and strengths are fostered in joyful learning.

The right to freedom shall only be limited by the duty to respect the well being of others.

No minister will refer to the arts as "elitist", "irrelevant", or merely "nice to have".

Every Nowherian has a right to clean air and water.

Every construction has to respect the Earth and the natural environment.

Celebrate and protect diversity in all its forms - culture, ethnicity, nature, and technology.

Love will be expressed openly; often! Sexuality will be embraced & enjoyed in privacy, out of respect for others.

Don't live too fast, rediscover the great value of slowness.

Education shall be free.

Spitting on Nowhereisland shall be considered a criminal offense, punishable by immediate expulsion.

The working week will be Saturday to Sunday. Monday to Friday will be the weekend.

All outdoor artificial lights turned off from dusk - dawn one night of the week to allow everyone to marvel at the stars.

Nowherians should remember not to take themselves too seriously.

Death penalty violates the right to life and therefore is forbidden..

We shall not fear the unknown, but study it.

We will dance.

The right to abortion.

The national day of Nowhereisland should be 1st April, and the national flower should be a rock.

No discrimination of any form shall take place.

All people are of equal, inestimable worth, and are to be treated as such.

Chickens should be allowed to cross the road without fear of persecution, ribald comments, name calling or mockery.

All acts of governance shall be facilitated by women and men equally.

Every Nowherian is an artist, and art needn't be "created" - it can be found, felt, observed, or dreamed.

"Don't Worry, Be Happy" by Bobby McFerrin will be the National Anthem.

All citizens will be given a towel and should always know where their towel is.

All healthcare is public and free.

Violence, in all forms and by any entities, is neither an effective nor a morally acceptable means for achieving change.

All laws of Nowhereisland should be designed and enacted to place happiness before profit and kindness before power.

War is not an option.
